Pitch's are let between 12noon and 12noon. Arrivals are between 1200hrs and 1700hrs. Upon booking the camp leader accepts personal liability for surcharges for late departure and refuse misuse which will be invoiced as required.</b>  |
|   | <b>Terms and Conditions of Use</b>  |
| <b>1 Breaches will lead to immediate eviction.</b>                            | Please remind everyone in your party of our camp terms and conditions you have signed up to and YOU are responsible for on their behalf. Any invoices for damages, fly tipping of camping equipment, or other issues will be sent to you. Should our terms and conditions be broken by any member of you will be asked to take your whole party off the site immediately.   |
| <b>2 Responsibilities towards other campers enjoyment.</b>                    | Be Nice - everyone has bad days but try not to let them spoil other campers enjoyment. Use that four letter word LOVE as much as you like but no others. Consider other campers, and if the children are restless arrange supervised games or enjoy the nearby beaches. Do Not let children play in toilets, showers or on other peoples pitches.   |
| <b>3 Responsible drinking no illegal substances</b>                           | Be Sober - enjoy alcohol in moderation and remember the only legal stimulant on our site is a cup of strong coffee.   |
| <b>4 No Amplified Music</b>   | Be Cool - relax, if you play an instrument, ask fellow campers if they mind. If they like the sound of you they may ask for camp fire sonata's. Everyone will thank you for leaving the Ghetto Blaster at home.   |
| <b>5 Your Responsibility for the Health and Safety of yourself and others</b> | Be Safe - Strictly No Fires....but you can BBQ in the special pits provided, and adults can enjoy open fires in the fire pit. Please do not move BBQ stands they are placed over sand pits to prevent ground fires. Children are not allowed near the fire pit unless accompanied by a responsible adult. Please don't bring axes, knives and machetes on site. Know the law on knives. Our site has some steep inclines please take a torch when walking at night. Make sure you know that your children are playing safely and don't let them be tempted to dig into the sides of the sandbanks.  |
| <b>6 Theft, Damages and Restricted Areas</b>                                  | Be Good - we would like this place to bring enjoyment to people for years to come and need an income to make that possible. Please don't leave the site without paying any extra balances due. Accidents do happen to our equipment, please be good and own up to it. Unfortunately due to damages to the WW1 trenches last season they are a restricted area with no access except for tours organised and supervised by the company. Any unauthorised entry will result in those concerned being asked to leave the site. We always like to agree a damages payment rather than impose one. Please don't steal wood from us it pays our wages. Use only bought seasoned wood. Bonfires quickly fill our site with smoke and make it unpleasant and unhealthy for other campers. |
| <b>7 Overstays and Evictions</b>  | Please don't inconvenience other campers by staying beyond 1200hrs on the day of departure. A minimum charge of at least one extra night will be made for any departures after 1200hrs. In the event of an overstay or an eviction you accept in these contractual terms and conditions that company agents will remove your camping equipment from the pitch with reasonable care but will not be liable for any loss or damage incurred in so doing. You may also have a liability to other campers for disruption to the start of their holiday.   |
| <b>8 Truthful Declarations</b>  | It is your responsibility to ensure that all campers in your party are booked in and day visitors declared and for all party members to display any admission ID issued. A standard £200 charge is applied per person per occasion for every unauthorised admission for which the camp leader is liable.<br>The declaration of any child's age is to be AT TIME of STAY (not of booking).<br>Any equipment hired is your responsibility until it is handed back to the company in the condition it was hired to you.  |
| <b>9 Full Site Bookings</b>   | We do not accept booking for social events such as birthday parties or hen nights through our online system. If these are booked and later discovered they will be cancelled by us.<br><br>If you are holding a social event likely to disturb others please contact us for GROUP and FULL CAMPSITE booking rates and terms and conditions.   |
| <b>10 Off Grid Semi Wild Camping</b>  | We offer semi wild (wild camping with flushing loos) camping as a unique site. Please be aware before booking that this might not meet every campers needs.<br>Please note our campsites are off grid. There is no electricity. The site is low light pollution so it's vital to use torches at night and not to drive further than the car park after dark. Late arrivals are strongly advised to park and find their pitch on foot. There is no provision for mobile phone charging and mobile phone signals are weak.<br>If you have any questions please do not hesitate to text us on 07564 226780   |
| <b>11 Storms and adverse weather policy</b>                                   | <b>Due to risks of woodland camping an adverse weather policy is in place. It is activated based upon met office warnings. Campers advised to take out holiday insurance to cover cancellation due to weather. In the event of an amber met office warning Campers will be advised to leave. In the event of a red met office warning campers must leave the site.</b>  |
| <b>Contacting Us</b>  | <b>Due to weak phone signals please text 07564226780 with any queries or email <a href="mailto:dreamyhollowbircham@gmail.com">dreamyhollowbircham@gmail.com</a>. We will get back to you as soon as possible.</b>   |
